29<sup>th</sup> January 2015

UN Women  
United Nations Trust Fund to End Violence Against Women

Dear Selection Committee,

The International Organization for Migration (IOM) recognizes the work of Awareness Against Human Trafficking (HAART) in promotion of the rights of migrants and trafficked persons in Kenya.

HAART has been a member of the Mixed Migration Task Force, which is co-chaired by IOM. HAART is a regular participant and a valuable contributor to the activities of the task force.

IOM and HAART recently completed a successful implementation partnership in which HAART provided reintegration assistance for 31 Kenyan women who had been trafficked to Libya. The services provided by HAART to the women included victims screening and reintegration planning, psychosocial counselling, coordination of medical services, transportation assistance, the administration of reintegration funds, and follow up monitoring and support.

IOM is convinced of HAART's value in contributing to anti-trafficking initiatives in Kenya. The organization is staffed with experienced and competent anti-trafficking staff, is well networked with anti-trafficking stakeholders, and has provided sound assistance services to trafficked women and girls.

Sincerely,

Mr. Michael Pillinger  
Senior Operations Officer/ Programmes Coordinator  
IOM Kenya Country Office.
